Jason Wheeler - Bay Area Mortgage Lender

This Website Portfolio I've listed several of the sites I've built and manage in just the last year: I've achieved some [pretty amazing results](#) online in the last few years.

MAIN SITE DEVELOPED BY JASON WHEELER

<http://JasonWheeler.biz>

The screenshot shows the homepage of Jason Wheeler's website. At the top, there is a dark banner with the text "Yes! We can get that funding you need.." and "Get Your Questions Answered! Call Now! 925-285-2172". Below the banner is a navigation menu with links for Home, About, Services, Contact Us, Follow, Leads, and FREE Gifts. A search bar is located on the right side of the navigation menu. The main content area features a featured article titled "Pleasant Hill Real Estate" with a sub-headline "Open Houses in Pleasant Hill This Sunday". To the right of the featured article are two boxes: "FOLLOW ME ON MY SOCIAL NETWORKS!" with icons for Facebook, YouTube, Twitter, and LinkedIn, and "SITE SPONSORS" with a large advertisement for "UP TO \$35,000 FUNDING FOR".

This site is my main business hub and ranks very high in [search](#) engine results for several searches. [See my results here](#)

Welcome to Epic General Construction

Since 1998 Todd and Jr. of **EPIC Bay Area Construction** have been helping people build their dreams by upgrading homes and creating custom projects specific to their customers needs.

With a long-term partnership Todd and Jr have done countless projects and have helped dozens of people in the Bay Area create custom buildings and projects of all types.

As a Licensed General Contractor

Jr. started his construction career directly after High School and realized he had a passion for building peoples visions into a reality.

He started off as a laborer, retrofitting and leveling houses. He learned quickly and was promoted to Carpenter apprentice remodeling primarily kitchens and baths. He currently specializes in additions of all types.

Todd Maselli got started in construction right out of High School as well. With his grandfather as a mentor and teacher who had 40 years of experience in the carpentry
